RE: In re Motors Liquidation Company, et als.  
Civil Action No. 09-50026 (REG)

Dear Judge Gerber:

This office represents John Pierro, whose claim number is identified as 69842. Please accept this letter in lieu of a more formal response to Motors Liquidation Company's Eighty-Ninth Omnibus Objection to Claims. In the first place, it should be noted that claimant John Pierro disputes the position that the claim was submitted late. Said claim was not submitted late and was submitted on time. Furthermore, the motion does not even elude to what date movant claims Pierro's claim was in fact filed. Was it received one day after the bar date, 5 days, or a hundred days. In order to properly respond to movant's motion, claimant at least needs to know what date movant claims said claim was filed.

Respectfully Yours,

Joseph H. Neiman
